# SCA Leads the Way at BHS

**1986 SCA officers.** (L-R): President Lorna Little, Vice-president Mark Valderama, Secretary Jackie Papizan and Historian John Comstock.

The Student Council Association (SCA) is the government of BHS (only lacking sovereignty). Led by Lorna Little and advised by Mr. Cheek, the SCA did a job to be proud of. Among their many responsibilities were the planning and supervising of Homecoming Week and B-Week.

The resignation of the treasurer caused turmoil in the SCA and led to a new election shortly after mid-term. That result was not available when this book went to press. Overall the SCA did a fine job leading BHS into another successful year.

**SCA members:** Back row (L-R): Joe Aiello, Laura McAbee, Mike Ewing, Lisa Martin, Michelle Spiceland, Todd Wray, Tony Saleeby, Norman Woods and Mr. Cheek. Second row: Susanne Prier, Christine Aultz, Holly Gross, Linda Hensell, Christa Hardy, Melissas Johnson, Julie Ficke, Stephanie Parisien, Michelle Caron and Patty Duke. Front row: John Harris, Ina Rivera, Georgina Fair, Christi Garrity, Nicole Folse, Lorna Little, Jackie Papizan and Tania Ford.

**Mr. Cheek** isn't really juggling bowling balls. They are just black balloons for a Homecoming contest.
