

Desire, Comradeship, Attitude Pace Barons to Outstanding 6-2 Football Record

The 1976 Baron football team finished with its best record in six years. The Barons posted six wins against two setbacks. The wins included two over Heidelberg, 14-13 and 14-11. Both setbacks came at the hands of Mannheim. Quarterback Rick Neubauer paced the club's powerful offense. And a group of rugged gridgers were outstanding on defense. After the regular season, six Barons were named to the All-League team and three were named to the All-Europe team. Following the season, the coaches praised the club as a "together" outfit. Alan Kentch was the club's leading ground gainer.
