

## Working Together Takes Barons to 'Fantastic' Season

Senior Tim Arnold placed on the League's All-Star team for the second year in a row. He was deadly out of his defensive safety position. Coaches called him a great tackler and an outstanding pass defender. Tim was also named to the All-Europe Dream Team. These honors brought to a close an outstanding football career at Bitburg High School. Tim was joined on the All-League team by five teammates and the All-Europe team by two teammates.

The Barons finished second in the Blue Division. They posted a 4-2 record against conference foes. The team's final two victories were real crowd-pleasers. The Barons nipped Zweibruecken 14-12 and Heidelberg 14-11. Both games were come-from-behind affairs.
