

“Winners”

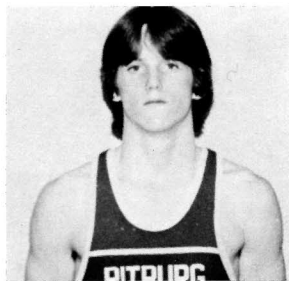

“Dedication, determination, self discipline, and confidence are words that best describe a winning wrestling program. The group of young men that have participated in our high school program at Bitburg have used these words and made them a part of their everyday life.

Dwain Brock
132 lbs.

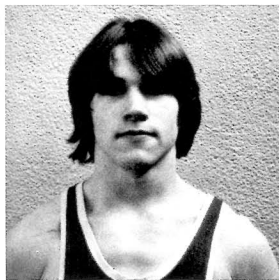

John Simms
132 lbs.

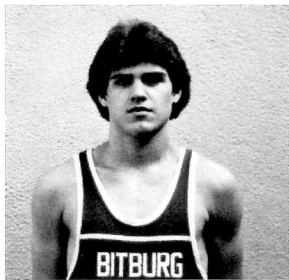

Howard Rupard
145 lbs.

Mike Wing
155 lbs.

George Pederson
138 lbs.

Because of their dedication, determination, self-discipline and confidence, they are not only winners in wrestling, but will be winners throughout their life.”
