

## “A Winning Team”

Coach Richard McWilliams was quite pleased with Varsity's performance this year.

Captains Carol Mann and Lorraine Lacy led the team in their quest for more wins.

“A winning team without a winning season,” that describes the 1981 Varsity Volleyball team according to Coach Richard McWilliams. Coach McWilliams in his first year of coaching here at BHS was quite pleased with the team's performance. Stiff competition was the major reason for the lack of wins by the Baronettes. Captains Lorraine Lacy and Carol Mann provided fine leadership and support.

The team rallies around to show everyone who's really number one.
