

Student Life *A Look at* *Us*

High school in Europe ... traveling, Stars and Stripes, new customs, new foods, Army, Air Force, and home sickness.

High school in Germany ... Marks, schnitzel, bratwurst, beer, TV commercials!?, rain, bazaars, Coo-coo clocks, luxury busses, blue geese, autobahn, and Oktoberfest.

High school at BHS ... student store, spirit stick, BBC, lunch time meetings,

senior courtyard, long lockers, bulletin boards, Kastels, Moms, Homecoming, B-week, cafeteria, pep assemblies, champions, and students that make the school.

Through fun, work or just relaxation, each of us are individuals and seek our own goals. But through school we can work together and reach our common goals.
