

# Cross Country Runs to Victory

Once again Cross Country finished its season in good standing. Through the rain and cold, the men's and women's teams battled it out and both finished with 15-5 records. The records made this year's Cross Country teams the most successful in the history of BHS.

Several awards were given out at the end of the season banquet. The most valuable runners were Suzanne Kearney and Larry Garcia. The most improved runners were Darryl Chitwold and Mark LaJoie, and captain's awards were given to Eric Simon and Mike Kot. Most of these outstanding runners will be returning next year for hopefully an even better season.

**Top right:** Back row (L-R): **Joe Smith, Larry Garcia, Mike Baez, Mike Kot.** Front row: **Natasha Hinkson, Chris Conover and Stephanie Parisian,** BHS cross country runners, anxiously await the results of their race.

**Bottom left:** Men's Cross Country runners have a chance to relax between events.

**Bottom right:** (L-R): **Stephanie Parisian, Laena Phillips, and Lisa Hailes** aren't running away from home. They're just traveling light on an overnight cross country trip!
