

Brenda Colom — Biology/Gen. Science

Noah's wife . . . during her last minutes in the ark . . . Can you imagine the feeling of opening those "doors" and seeing that they were free at last! I would have ran out bare-foot and tried to take in all the fresh smells . . . touch everything that I had missed for so long and bask in the sun!

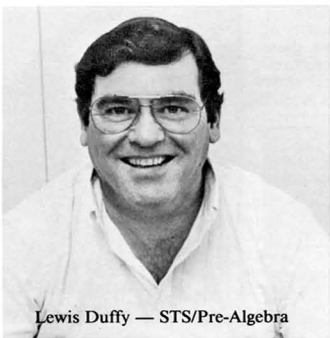

James Cornelius — English

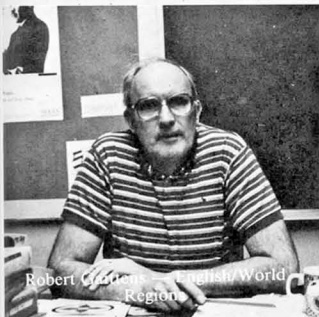

George Washington. He was so efficient.

Thomas Dillo — School Officer

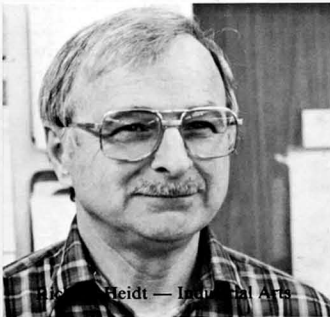

Lewis Duffy — STS/Pre-Algebra

Robert G. . . . English World Region

Richard Nixon because his credo was; "I'll never lie to you." Or was that . . .

. . . Reidt — Industrial Arts

Jimi Hendrix. Those who said they felt like they were present at the dawn of creation. Flng around the stage with his strato-caster, he set standards for the entire rock generation. He was bad . . . who could wish for anything more.
