

AS WE SIT AND

*From life without a locker;
To condos in blue steel.*

*From 10 tons of printed knowledge;
To 10 pages of xeroxed facts.*

*From dodging giants in the hallway;
To ramming little guys in the worst way.*

*From quick pecks after the big date;
To "BIG RED" kisses that last for three days.*

*From this;
To that.
From that;
To this.*

*My four year metamorphosis from freshman to Senior,
has been long —*

But a butterfly, I am not yet.

— Bob Williams
