

BAND

Both the Intermediate and Advanced Bands joined Chorus to present the annual Christmas Concert, produced and directed by Ms. Marie Meyers. This year's bands take pride in making music. Freshman Corey Blanding said, "It has given me a chance to show my musical talent."

Although some students only joined one or the other of the bands because they needed a credit, for many of these students, band has become an unexpected pleasure. Others, however, took the course because they wanted to continue to develop their musical abilities in college.

During the week of March 13-17, four band students and two chorus members went to Bad Kissingen for the All-Europe Honors Band and Chorus. Bitburg High School delegates were: Crystal Boggs, Kevin Clements, Karen Edwards, Kimyarda Lawson, Janice Loar, and Lanissa Whitney. Alternates were Carla Boggs and Danielle Dutton.

The Honors Band and Chorus are made up of the best DODDS high school musicians from across Europe. Although many audition for this honor, only the best are selected. It is a point of pride that BHS had six students named to these prestigious groups.
