

COULD IT BE LOVE ?

The '95 Tennis season started with a victory against Brussels at Brussels and ended at Bitburg home courts with a loss to Baumholder. In between were a few laughs, a few tears and a temper tantrum or two. Seniors P.J. Blanco and Bobby Hull were the captains of the boys' team while sophomore Bethany Hilgers was the girls' captain.

The sister duo of Bethany and Ryan Hilgers finished in 3rd place for girls' doubles at European Championships in Wiesbaden. Other Baron who competed at Europeans were Carla Boggs, Garit Gemeinhardt, Bobby Hull and John Matson. With so many underclassmen returning next year, the '96 squad should be even stronger.
