Bitburg Baron Golf Team 1996

Golf came back swinging after a 17-year absence from BHS. With good inaugural effort and improvement in skill, the team drove through the season to Regionals at Wiesbaden. It proved to be a challenging and rewarding experience.

Four of the five Baron golfers finished in the top 50 in their individual flights. Sophomore Rob Christianson finished 14th overall, while senior Dave Chandler placed 22nd, and junior Robert Hertzog was 48th.

To her surprise, junior Nicky Schulze was one of the top female golfers in her division, placing 5th. Freshman Jean Richardson, a golf newcomer, hopes to return next year. Although the turnout was small, Coach Sommer hopes to see more golfers in 1997.
