The 1997-98 football season was one of ups and downs. After being defeated in the first two scrimmage outings, the Barons bounced back to win their first two games with a score of 44-8 against Vilscek and 40-8 against Hanau.

We then lost to SHAPE, 18-8, and ISB, 20-8, but bounced back in a 36-20 victory over AFCENT. The first SHAPE game was contested but the Barons lost the rematch as well, 12-0.

The team alternated their wins and losses throughout the season. A highlight was the nearly-last-minute win over Giessen for a big Homecoming Celebration, 20-14.

Junior Corey Wayt was honored as an All-Conference selectee for both offense, as a punter, and defense, as a linebacker.
