

Hang Time

The Lady Barons' Basketball team had a rough start. The Varsity's first game against Bamberg was a nail biter, and they lost by only four points.

After such a morale-crushing defeat, they went on to play Mannheim and two Division One schools (Ramstein and Heidelberg) with dampened spirits.

Still to come were Baumholder, AFCENT and SHAPE, conference games that would determine their eligibility for Europeans. The Lady Barons also were slated to square off against Bonn and Brussels.

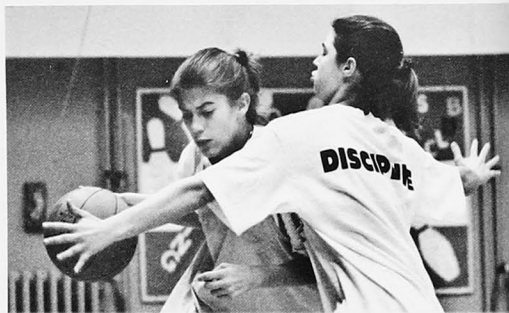

The Junior Varsity team played their season opener against Ramstein, tying them 16-16. The JV's youth and talent will be great contributions to next year's team.

The '97-'98 squad was full of enthusiasm and spirit and used those qualities to help them grow during the season.
