

# HEAR THE TALE OF *CAMELOT*

**Kesa Hansen as Guenevere**

"Drama is a way of finding your desires in life. Drama helps me to express my inner feelings."

**Nate Lynch as Lancelot**

"I liked the whole play. It was a great experience and I would love to do it again."

**Sarah Martino as Guenevere**

"The hardest part of the play was getting into character. We had the best directors in the world; without them this play would not have been possible."

**Vu Pham as Arthur**

"The moment I step on stage, all troubles and worries are left behind. Drama is the greatest release! Not being confined by the rules of yourself is the best feeling."
