

REACH FOR THE STARS!

HOMECOMING WEEK

During Homecoming week, class competitions were held at lunch each day. Students lip-synced, held a fashion show, danced, and applied make-up while blindfolded. Noel Brannock supported the Spirit Moneyjars and her class, the Sophomores, won!

Dawn Bible helped the Freshmen class take second place in the hallway decorating contest. She was amazed at how many of her classmates helped and how well they worked together. She thought all the halls looked great!

Julie Brei-Crawley had a great time at the Friday night pep rally. Highlights were the cheerleaders' dance, the spirited crowd, and the games, especially the scavenger hunt. All the fall sports athletes were cheered for, including Julie!

Despite the freezing weather at the Homecoming football game, Terrell Powell thought it was fun. His favorite part of the game was when the Barons almost turned over the ball, but Coach Carr had faith in the players and went for the victory.

Kalisha DeCruise thought this year's Homecoming dance was the best ever, because there were so many people she knew there. The variety of music was great for a change, and everyone looked terrific, too!

Homecoming 1999 was a great kickoff to the school year. The fun-filled week included class spirit competitions, lunch-time activities, dress-up days, a spirit walk, a bonfire, and the selection of the royal court. Our championship football team amazed the enthusiastic crowd with their unstoppable offense and mighty defense while leading the high spirited Barons to victory! The perfect finale to this memorable week was the traditional Homecoming dance held at the Spangdahlem Officers Club. The participation of so many Barons made this Homecoming the best ever!
