BECAUSE WE SAY SO

My most memorable moment at BHS was when I walked onto the floor at the wrestling European championships my sophomore year. I will miss the security of high school, being able to live life with no worries or responsibilities. I would like to thank those who helped me along my journey through life.

It's about time! All my true friends, you five know who you are, thanks for the memories. Thanks for the good and the bad. Tight 4 life!

"There are no strangers here, just friends who have never met!"

Thanks to the teachers who taught me; thanks to my family who helped and guided me; thanks to my friends and the class of 2000 and to the rest!

My high school memories are filled with indescribable moments. Thanks to my friends for making them possible. I've watched time change us all, and I'll never forget you. Thanks to my family, also.

"I can't remember all the times I tried to tell myself, to hold on to these moments as they pass."

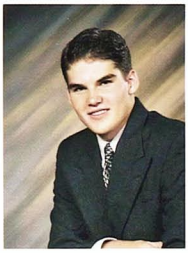
My most memorable moment at BHS was auditioning for *Camelot* and hearing my name announced for the part of Lancelot. I'm thankful for the BHS band. As a new student I was honored to be elected band president. "Blessed are they who laugh at themselves, for they shall never cease to be amused."



Natasha Lyons

I will miss the idea that I am not a kid anymore, and I dread that now I have to grow up! I have a new life ahead of me but will miss my old one where everything was predetermined. Kids can't wait to grow up, but I only want to be young again.

"Cherish your youth; It's gone before you know it."

Kimberly MacEachern

My "I Love You's" go to: Mom, my best friend, the Lord Jesus Christ and of course, the Bitburg Class of 2000.

"...and I love you as you love me; so let the clouds roll by your face; we'll let the world spin on to another place; we'll climb the tallest tree above it all; to look down on you and me and them." -Billy Corgan

What I will miss the most at BHS are the lasting friendships I have made. I will keep these experiences with me wherever life may lead. The memories are etched in my heart forever.
