

The class of 2004 knows how to make the right friendships last!! **Right:** Adrienne Ruiz, Nazaia Fabela, and Danielle Ayers show what friendship is all about.

**Center Right and Below:** Sophomores learn the art of working and studying hard. Studying is a skill that many sophomores have learned to appreciate. Classes like Honors English 10 with Ms. Laakman and Geometry with Mr. Speegle are just some of the challenges that sophomores face.

**Below:** Jackie Perry conquers the World Wide Web researching the latest news for current events in World Region

## *Freshman Year*

*vs.*

## *Sophomore Year*

“My freshman year had better memories. I had a lot of friends and we always used to do the craziest things. But we always got away with it because we were freshmen. I miss the chance to do things and get away with them.”  
- Tanya Weyhrauch

“Sophomore year is better because now we can pick on the freshmen.”  
-Manny Garcia
