

# Class of 2004

Who is that behind the camera? Maybe one of the sophomore yearbook team members?? Upper left, Scott Brozo and Brandon White rush off to class after a quick lunch at the Commissary. The commissary is definitely the place to be during the lunch hour. Left, Ray Lichtenberger and Tanya Weyrauch continue working on Chemistry problems. Tanya is starting her career as a Chemistry teacher early by helping everyone in class! Below Jeff Graves is taking a minute to ponder the Health Tip of the day provided by Coach Lemmon. Above, Valerie Laird reads the daily bulletin posted at the SAO.
