Coaches Corner

Coach Jason Vitruels loves coaching. "It is definitely a rewarding experience. Being able to be there and watch all these swimmers improve and feel good about themselves makes me feel good. I absolutely love it." All the swimmers love having him as a coach too. Amy Huguen says, "He is a great guy and I have improved a lot just this year with him as my coach. He was so inspirational and motivated me to do my best."

The Eifel Sharks took a trip to Munich, Germany for the annual Championship swim meet from February 15-17. Each swimmer did an extraordinary job and was rewarded with many medals and ribbons. Each swimmer had to qualify to go to Munich. Everybody had a great experience and were very happy with their performance.
