Social Science and Science

The different Social Science and Science classes offered to the students at BHS give them the opportunity to get hands-on experience in several courses that could very well be possible careers. From being a politician to learning the law in Mr. Loffelman's Government class to becoming a historian studying World Regions in Mrs. Fears class or becoming a Botanist learning about plants in Ms. Colms's Biology class, students are able to explore all the sciences!

Social Science Staff
Mr. Loffelman,
Mrs. Glynn,
Mrs. Fears, Mr. Carr

Science Staff
Ms. Colom, Mrs. Glynn,
Mr. Calvert, Mr. Vadney,
Mr. Goff

Getting all the answers!
Chemistry students,
sophomore Brittany Hassell
and senior Amanda Krisher,
finish up their latest assign-
ment.

Seniors Brian Jenkins, Sade
Graves and Charlie Newton
try to get their Government
work done and have fun at
the same time.

WORKING HARD

Students at BHS do
their best to maintain
good grades.
