Wills & Parting Words

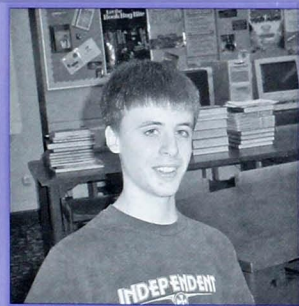

I leave Kris gas money for all the future nights at Tie Tacs. I leave Chelsea all the chocolate in the world. I leave Katie the knowledge that the Oklahoma Sooners are way better than the Florida Gators. I leave the volleyball team the best of luck for next year! And to my brother Doven, another year of being European Champion.

I am Brittany Garcia and was told to write this will, against my will. Therefore I leave nothing to anybody mwahahaha! (except, of course, my ability to write backwards to the notorious, Bacterious B.1)

Jackie Perry, being an Almighty Senior, leave to...

*Christinuh: My 2 obnoxious cats
Alina: A pair of ice skates, a life supply of lipgloss & hairspray & german instant vegetable soup
Bethany: A hot firefighter & in case something goes wrong I'm throwing in a hot pediatrician & a bag of feathers & bubbles
Shelly: A flashlight for late night closet talks
Lance: A flock of seagulls & a crab
Janine: Patience & a good Christian attitude*

I Zach Hezel leave my eternal gratitude to my friends around the world. They have been tried and grappled to my soul, once more into the breach clear friends. But soft, for the these few last parting words... "The arrow struck my heart again, I picked a rose and bled misery away. I stepped into the light to see a glimpse of you. It feels like I'm in a movie as the orchestra plays you in."
