

THREE's COMPANY!

The three commonly known as THE NERD HERD need calculators to do the math problems while underclassmen Josh Day sits patiently out of the picture already done with the problem.

Can't Touch This

On more than one occasion, the academic games team had to compete against a crack team of covert teachers. The academic game team soundly defeated them every time. Except when Mr. Kennedy competed!

What Happens When I Push This???

When one pushes a button, a number of things can happen. For instance, one may receive a painful shock, or maybe some gerbil pellets. However, in academic games, pushing a button will warrant the chance to answer the question

Such Diligent Students

Right: Jackson Knox applauds the efforts of the teachers while Elizabeth Britt looks on. Below: Andrew Neubauer, Dani Goldfein and Mark White all gaze intently as Mrs. Cooley asks the next question.

THE QUIZ MASTER!

The team wouldn't be able to accomplish bo diddly without the support of Ms. Cooley. The quizzing, the buzzing, the resetting, all thanks to her guidance and generous gift of her time.
