Homecoming 2004 was a day of laugh, chills, and thrills. The Barons successfully disposed of their competition, with the football team shutting out the Hanheim Bisons 21-0, the Volleyball team downing the Hanau Panthers, the Tennis Team sweeping Hanheim 17-1, and the cross country team always shutting out their champions effort.

After the day of sports, the Barons settled down for a relaxing evening at the Spangdahlem Club for the Homecoming Dance. It started at 8:30 and went until 11:30 with over 220 students attending. As the hours passed, the candles remained. Around 9:00 the Homecoming Court was announced and to tumultuous applause, they shared their royal dance. After a crummy day, the Barons once again proved that they could overcome adversity to prove that they achieve excellence in everything!
