

I would give you my heart,
 And my love would be all yours,
 We may be different,
 But don't opposites attract?
 I would never hurt you,
 Only help you.

Never would I betray your love,
 Those who cheat on love don't deserve to love again.

I'm sorry if I can't be your fantasies,
 But you are perfect for me.

Just give me a chance,
 A chance to show you that I am a good guy.

I would never leave you behind,
 Or be two-faced in front of you with others.
 You would be the one to help me with my struggles,
 And I only wish that I could do the same for you.

Wherever you may be,
 Any distance at all.

Let me show you that I might be the one,
 Just a chance to show you greatness,

But I just want to say first;
 I'd be there for you...

Creative Connections

Creative Connections is a week of pure, hard FUN! It takes place in a youth hostel next to a castle on the Rhein River in Oberwessel, Germany. Any student who is highly motivated and loves to be involved with creative pursuits in the arts will love to participate in Creative Connections. Applications for selection start in the Fall and are sent online for review. If you are selected you must select ONE only of a wide range of artistic options, which are always evolving, such as: Musical Performance with Garage Band, Drama, Show Choir, Musical Composition and Arranging, Creative Movement & Mask Making, Digital Imaging Techniques, Drawing, Printmaking, Oil Pastel and Video Production. Along with other highly motivated and creative students, you work from dawn until dinner on your art of choice. At the end of the week, there is a final Art Show and Performance involving all of the students. Any student that has been there always wants to go back the next year. Yes, it is that exciting!!! This year two BHS students, Senior, Courtney Robinson, and Junior, Jimmie Lynch, represented BHS by attending the Creative Connections Conference. Courtney was selected in the area of oil pastel and Jimmie in graphic design.
