The coaches could not be more proud of the way the Bitburg Cheerleaders continued to pick themselves up and came back against all odds. On Saturday, February 27th, the competition squad took the floor at the MWS Hall in Mannheim to cheer for not only the other cheerleaders in attendance, but their peers, and the Bitburg boys' basketball team as well. They rocked the arena and overcame adversity to end the season with yet another Division II championship title. We have been inspired by this group of amazing athletes and their drive and determination to succeed. We are proud to say that we coached this phenomenal team.
