"If wrestling was easy, everyone would do it."

SEASON SUMMARY.

The wrestling team did an excellent job this year preparing themselves for the European Tournament. We had an outstanding representation at the tournament with 9-wrestlers. Last year, we had three qualifiers and the year before that, we had two qualifiers. We placed 2nd in our division and 5th in Europe. It's taken us three years to get our team to where it is now.
