

Monday

Wacky Tacky/ Gender Bender Day

Monday, our theme was to dress as the opposite sex or as wacky and tacky as we could. Student Government (STUCO) ran the lunch games - they had filled balloons with diapers up with chocolate pudding and hidden two pieces of bubble gum at the bottom of the brown pile, yuck! The students who volunteered to do this event had to dig their way through the mess to reach the bubble gum and blow a bubble; however, they were unable to use their hands. Every single face was covered with chocolate pudding by the end. The winner of this game was Senior **Jamar Bajala!**
