Dress to Impress
Day

Are you ready to dress to impress? BHS students really stepped up the bar on Wednesday. The gentlemen wore suits, button-ups, and some came with a vest and tie. Our ladies dressed up in some very stunning dresses.

Sophomores led the game for Wednesday, with an unusual kind of relay. Two students from each class had to sit on scooters and push to the other end of the cafeteria with a plunger, then tag their partner who would plunge it to the finish line! Sophomore Justin Martel and Sophomore Zachary

Newell took first place by a landslide!
