

Parade

"Who made the best banner?!"

March!.. March! This was a fantastic day for the Bitburg Barons and the Spangdahlem Sabers! Kids all over the base gathered around to catch candy and hear our Barons chant.

Students painted their faces and wore class colors to represent our school. The Barons went through Spangdahlem housing and cheered as loud as they could! Each class made their own banners to hold up in order to show everyone who had the most class spirit. The Juniors won the banner competition, just beating out the seniors!
