

Mr. Patrick Gross
Principal

It is a privilege and a pleasure to serve you as Principal of Bitburg Middle/High School. We are proud of our students, and their relentless pursuit of excellence in academics, athletics, and activities participation! Likewise, we are proud of our whole community, as we come together to enable and support those achievements. I'm sure that will be evident in the pages of this yearbook, as it reflects a wonderful year of learning, growth, and fun, here at our school, and itself represents the hard work of our student yearbook staff and their faculty advisor. Congratulations and thanks, to all.

Go Barons!

Ms. Kaawa Fulton
Assistant Principal

The 2013-2014 Shield is comprised of Baron memories that will last a lifetime. I could give you details but I have learned that there is power in allowing Barons to reflect and discuss events. So, I challenge you to preview the entire yearbook and to ask a Baron about his/her experience. This strategy will help you to understand the joyous moments associated with being a Baron.

As an administrator, I am happy to report that our students had a wonderful year. Open the Shield, turn each page and experience 2013-2014 school activities/events and accomplishments.

Take the challenge!
