Leading in 38 States; Electoral Vote at 431

WASHINGTON, Nov. 5 (UP)—Dwight D. Eisenhower was elected President today in a landslide victory that put the Republican Party in power for the first time in 20 years.

The 62-year-old Eisenhower, first military man elected President since Ulysses S. Grant, swamped Democrat Adlai E. Stevenson by a margin far greater than any political observers had predicted.

The popular vote total was an all-time high in American history and Eisenhower's total was the greatest ever piled up by a Presidential candidate.

Sen. Richard M. Nixon, of Calif., Ike's running mate, was elected Vice President.

It appeared that Stevenson would not win in a single state outside the traditionally Solid South, which itself was cracked by Eisenhower who won in Florida and Virginia and was leading in Texas.

The popular vote at 10 pm (Germany time) today as tabulated by United Press:

Eisenhower	30,303,120
Stevenson	24,403,496

Eisenhower had won or was leading in 38 states having 431 electoral votes and Stevenson in 10 states having 100 electoral votes.

After the most vicious and bitter campaign in decades, it became apparent a few hours after the polls closed that the American tide was running to Eisenhower and that the New Deal era of Franklin D. Roosevelt and the Fair Deal of Harry S. Truman was at an end.

Sweeps North Industrial States

Eisenhower swept the great industrial states of the North—New York, Massachusetts, Pennsylvania, Ohio, Michigan and Illinois—despite the solid backing given to Stevenson by the labor unions.

Shortly before 2 am, Stevenson drove from the governor's mansion to his hotel headquarters in Springfield, Ill., and announced he had sent Eisenhower a telegram congratulating him on his victory.

Ike Korea Trip Due After Rest

NEW YORK, Nov. 5 (UP)—President-elect Dwight D. Eisenhower said today he will go to Korea before his inauguration.

Eisenhower, preparing to depart for a 10-day vacation at Augusta, Ga., disclosed his Korean plans in general terms in reply to a message he received this morning from President Truman.

The President congratulated Eisenhower on his "overwhelming victory" and offered him the use of his DC6 "Independence" for the trip to Korea.

Eisenhower replied that he appreciated the offer but he would be willing to use any suitable transport plane that one of the Armed Forces could make available.

Eisenhower advised Mr. Truman that he will notify the Defense Secretary of his departure as early as possible.

In the closing days of the campaign Eisenhower said that if elected he would go to Korea to try to find a solution to the war.

Eisenhower also told Mr. Truman (Cont. on Page 16, Col. 3)

General Asks Support Of a United Nation

NEW YORK, Nov. 5 (AP)—Dwight D. Eisenhower, swept to a smashing victory by America's voters, promptly pledged early today that as President he never will give "short weight" to his new responsibilities.

Addressing a wildly cheering crowd at his campaign headquarters, Eisenhower told his audience he had sent his Democratic opponent, Gov. Adlai E. Stevenson, the following telegram:

"I thank you for your courteous and generous message. Recognizing the intensity of the difficulties that lie ahead, it is clearly necessary that men and women of good will of both parties forget the political strife through which we have passed and devote themselves to the single purpose of a better future. This, I believe, they will do."
